Principal – J. Holmes
Assistant Principal – K. Ramsey
Counsellor – T. Krekoski

Dear Parents,

As you know, your student has already completed the Invention Convention course. In this class, kids are challenged to become inventors. They undergo the process of identifying a problem in their lives, devising a unique solution and then building their product. Finally, they put together a display of their process and attended a school convention to show and answer questions about their invention.

On the morning of Friday, May 5th 2017, your student has been selected to represent Clover Bar Junior High at the Elk Island Public Schools Invention Convention.

The schedule will be as follows:

- Friday May 5 at approximately 8:45am, students will board a bus to be transported to F. R. Haythorne Junior High.
- Once at the school, students will set up their displays in the large gym.
- At 10 am the convention will begin and run until 11:30.
- After the convention, students will clean up and then be transported back to Clover Bar to attend afternoon classes.

Students will be responsible for their trifold displays and their invention. Responsible, respectful and engaging behavior is expected from all students while representing our school at this event.

We would like to invite you to visit the convention to help support your student on that date at F. R. Haythorne. Your student has worked very hard and we are proud to send him/her as one of our school representatives.

Sincerely,

Tara Yeo

Permission Form to be returned to Clover Bar by April 25, 2017.

FIELD TRIP PERMISSION FORM

AP 260 Field Trips

Dear Parents/Guardians, this is to inform you that we are planning the following field trip. Please retain Section 1 for your reference and return Section 2 to the appropriate supervisor.

SECTION 1: Field Trip Information (to be completed by the Field Trip Supervisor)

Name of field trip	School
EIPS District Invention Convention	Clover Bar Junior High (7-9)

Today's date	Trip Supervisor/Staff Liaison (if not a staff member)	Position
April 13, 2017	Tara Yeo	Teacher

Description of field trip

Students will bus from Clover Bar to F. R. Haythorne where they will set up their trifold displays and inventions and interact with the public for the morning, describing their product and their invention process. After the convention, students will bus back to Clover Bar to attend afternoon classes.

Departure Date	Time	Return Date	Time	
May 5, 2017	8:45 AM	May 5, 2017	12:30 PM	<input type="checkbox"/> Add a row
