

Clover Bar Soccer Program

2014-2015

Philosophy of the Soccer Program: To allow students to combine their passion for Soccer with their academic studies. The program is provided to help student Soccer players grow athletically, academically, and socially. The Clover Bar program encourages and supports participation for both boys and girls from grades 7 through 9.

The Soccer Program is for students who:

- have passion for the sport of Soccer
- have desire to learn and improve their Soccer skills
- have a great attitude about school and behavior profile
- are highly motivated and well-organized
- have a strong work ethic

With these attributes, students will have an enjoyable and successful experience athletically and academically at Clover Bar Junior High.

General Overview:

The program allows students to combine their passion for soccer alongside their academics throughout the school year. The program runs on alternate afternoons in conjunction with the school schedule. The class is open to both males and females from grade 7 to 9. The class is one of two electives that students choose alongside their core subject areas. .

Clover Bar Mission Statement:

The Clover Bar program provides student athletes the opportunity to develop technically, physically, and psychologically within the game of soccer. Our program is based on the Canadian Soccer Associations' Long Term Player Development Model (LTPD), which allows for a strong player centered and coach driven environment.

Facilities

The soccer fields behind Clover Bar Junior High School are used for the fall. During the winter, our students are bused to Millennium Place in Sherwood Park. In the spring, students are back at Clover Bar Junior High for the remainder of the year.

Soccer (continued)...

Program Cost

The cost for the 2014-2015 year will be \$1,500.00. There is a \$500 deposit due upon acceptance into the Soccer Program. This deposit will be put towards the fee for this program.

Transportation

Students are transported to Millennium Place and back to Clover Bar by bus, from November through March.

Registration

A program registration form is required and is attached to this form.
