Mini Euro Cup 2

Guest Coaches from Brazil 3

Head Coach's Report - By Daniel Drummond

For the past two months we have enjoyed having another guest player and support coach from Brazil. Christian impacted our program both on and off the field with his ability on the field and friendship with all our students. As we returned to training outdoors we wanted to ensure our players had a good balance between their club/team activities and school program which allowed us the opportunity for more small sided games as well as the occasional 11 v 11 match play. Heading into June we were able to organize an exhibition series with St. Edmunds at the EDSA complex which allowed our senior group the chance for a full field game and our other combined groups to compete in a 7v7 format which made for an excellent day of competition and reward for a great year. With another school year coming to a close I would like to wish all our players and families a great summer holiday on behalf of the Clover Bar staff. Lastly, we would like to wish a our graduating students all the best moving into high school and pursuing their soccer endeavors.

Friendly vs. St. Edmunds in June

Thank you to St. Edmunds in hosting us for an outdoor friendly at ESA fields north. Due to wet fields, games were played on the two artificial turf fields there. Coaches and students looked forward to some different competition. Sides were equally balanced within all groupings, and very competitive.

Fantasy Football League

Interested in playing fantasy football?

Congrats Coach Burback winning the championship!

Sponsorship Deal with Eurosport

Students enrolled with the Clover Bar Soccer Program can Receive 15% off any soccer gear they purchase at Eurosport. State your school and name to be eligible for the discount.

Mini Euro Cup 2016

To end the year, we did our annual in-house soccer tournament, modelling the current Euro Cup taking place in France. Congrats to the winners: France.

Upcoming Events

- June 28th Last day of classes for students
- August 29th Grade 7 Orientation 1-2:30pm
- August 30th First Day for all Students

Attacking Brazilians

Following in the footsteps of Kauany, another student from Brazil turned up to train and help the Clover Bar Soccer Program. Cristian joined our program towards the end of May. He is on an exchange from Sao Paulo and offered to join our program and help where he could. Students really took towards him, and enjoyed having him help the coaching staff and to try and play against him.

For the last week of June we also welcomed back Kauany who was here During December, January, and some of February. The Clover Bar Coaching Staff thank both international students in helping our program, and being excellent role models with our students.
