

Cloverbar Junior High School School Council/Parent Group Meeting

Date: November 30, 2017 6:00pm

Location: Clover Bar School Library

School Report - Jacqui Holmes

a) Thank you for a Successful Student Teacher Conference -

The student teacher conference was a success. The scheduling of interviews was a last minute plan and there was very good feedback from parents.

b) Invitation to continue to provide feedback into Student Education Plan (SEP) -

The SEP results have been reviewed and are available online on the Cloverbar website. Parent input is welcome.

c) Results Review

The results review is a comparison of SEP's by 4 schools. The schools go over strengths and weaknesses and share what has been effective in improving grades/student wellbeing. It was open for anyone to attend and was held last week. The results are on the Clover Bar website, the office will provide a hard copy to anyone who would like one.

Topic: Clover bar School Successes and Goals for Ongoing Student Achievement - Jacqui Holmes
